Supplementary Examination Announcement

CLINICAL LABORATORY TECHNOLOGIST I - 08220

Monthly Salary Range: \$3303 - \$4880

Option A - Medical Technology

Option B - Cytology

Candidate should list option on the CMA-100 application. A separate application is required for option A and/or B.

General duties: A Clinical Laboratory Technologist I, subject to the provisions of the Illinois Clinical Laboratory Act, performs a variety of laboratory tests requiring the use of independent judgment; conducts viral serology tests to diagnose the presence of various diseases, toxins and parasites; isolates clinical laboratory pathogens obtained from various types of human specimens; performs experiments on neonatal blood specimens in order to detect the presence/quantity of metabolic diseases; performs quality control tests on related equipment; conducts chemical procedures and microscopic tests to diagnose the presence of cancer in cytology preparations; calibrates equipment as needed.

The requirements for a minimal passing grade are as follows:

Training and Experience requirements (appropriate for option selected): Option A: Possession of a Bachelor's degree in medical technology from a recognized college or university; or a Bachelor's degree from a recognized college or university in one of the chemical, biological or physical sciences plus one year of professional clinical laboratory experience which includes performing examinations on specimens derived from the human body.

NOTE: Experience cannot be substituted for the required degree under option A.

Option B: Completion of two years of college with at least twelve (12) semester hours in science plus five years of experience in the field of cytotechnology.

OR

Requires certification as a cytotechnologist using the American Society of Clinical Pathologists Board of Registry Criteria.

Tests and weights: Training and experience 100%.

Length of eligibility period: One year.

Counties in which positions are established:

Option A - Medical Technology: Cook, Jackson, Randolph, Sangamon.

Option B - Cytology: Cook.

Counties listed include all counties in which positions have been established, and does not represent immediate openings. This listing is based on information currently available and is subject to change.

YOU NEED NOT APPEAR AT A TEST CENTER FOR THIS EXAMINATION. Send a completed application (CMS-100) to the Department of Central Management Services, Bureau of Personnel, Room 500, Stratton Office Building, Springfield, Illinois 62706. Your training and experience will be evaluated from your application.
